

Mini Hugger

Floor Scale

- 500 lb x 0.2 lb
- 24" x 24" Platform
- Singled Point Sealed Load Cell
- 10' Long Load Cell Cable

REGISTERED **ISO**
9001

Great for industrial applications, Cardinal's Mini Hugger floor scale is rugged enough for everyday use in the busiest of warehouses. Cardinal's heavy duty load cell and 1/2 inch thick steel deck plate mean low maintenance and high performance. Add a Cardinal 200 series indicator (such as the 205 shown) and you'll have a weighing system to get the job done accurately and reliably.

MH-524 Specifications

Capacity:	500 pounds
Division Value (e-min):	0.2 pound
Platform Size:	24 inches x 24 inches
Platform Height:	6 inches maximum
